

Are you ready for a world-class learning experience brought to you by Financial Planning Standards Board Ltd., the standards-setting body for the global financial planning profession? Taken either online or with an instructor, the FPSB® Risk and Estate Planning Specialist course prepares you to develop strategies to manage clients' financial exposure due to personal risk and to help clients preserve and distribute their accumulated assets.

The course teaches you to evaluate your clients' legal, tax, financial and insurance position, and the impacts of non-financial issues, to guide clients to conserve and transfer wealth consistent with client goals. To be recognized by employers, clients and the public for your superior skills and knowledge in risk and estate planning, complete the roadmap below to obtain FPSB® Risk and Estate Planning Specialist certification in India.
